**Streatley Hill Pre-school is a community charity, providing high quality pre-school education for 2-4 year olds. We need to replace our existing building as it is rapidly deteriorating and is no longer fit to deliver the education our children deserve. If we do not, our Pre-school will be forced to close and a valuable amenity will be lost.**

**This is an exciting opportunity to help save our Pre-school for future generations and at the same time record your contribution. Brick pavements, engraved with your or child(rens) name(s), will form the entrance path to the new Pre-school building.**

**So if your children went to the Pre-school, why not commemorate this with a brick for each child? If not, you can still recognise the importance of supporting the local community by joining in!**

A team of parent volunteers is running the building project and our target is to raise £170,000. We have already raised almost £150,000, thanks to the support of West Berkshire Council, local organisations, charitable trusts, companies and individuals.

We have set the cost of the bricks hopefully to be affordable to all. If you wish to make a donation in addition to buying a brick(s), this would be very much appreciated.

For more information about our donors and the latest updates please visit: [www.streatleyhillpreschool.org.uk](http://www.streatleyhillpreschool.org.uk) or contact Catherine Dickinson on 01491 874409

**Thank you for your continued support**
