

Critical Incident Policy

Please take time to read the pre-school policies and let the Pre-school Leader or Chair know if you have any questions.

The policies are also available to read on our website:
www.streatleyhillpreschool.org.uk

Statement of intent

We understand we need to plan for all eventualities to ensure the health, safety and welfare of all the children we care for. With this in mind we have a critical incident policy in place to ensure our nursery is able to operate effectively in the case of a critical incident. These include:

- Flood
- Fire
- Burglary
- Abduction or threatened abduction of a child
- Bomb threat/terrorism attack
- Any other incident that may affect the care of the children in the pre-school

If any of these incidents impact on the ability of the Pre-school to operate, we will contact parents via phone, email or text message at the earliest opportunity, e.g. before the start of the session.

Policy

Flood

There is always a danger of flooding from adverse weather conditions or through the water/central heating systems. We cannot anticipate adverse weather; however, we can ensure that we take care of all our water and heating systems through regular maintenance and checks to reduce the option of flooding in this way. Our central heating systems are checked and serviced annually by a registered gas engineer and they conform to all appropriate guidelines and legislation.

If flooding occurs during the session, the manager Lead Teacher will make a decision based on the severity and location of this flooding, and it may be deemed necessary to follow the fire evacuation procedure. In this instance children will be kept safe and parents will be notified in the same way as the fire procedure.

Should it be assessed as unsafe through flooding, fire or any other incident we will follow our operational plan.

Fire

Please refer to the fire safety policy.

Burglary

The management follow a lock up procedure which ensures all doors and windows are closed and locked before vacating the premises. The manager will always check the premises as they arrive in the morning. Should they discover that the setting has been broken into they will follow the procedure below:

- Dial 999 with as many details as possible, i.e. name and location, details of what you have found and emphasise this is a pre-school and children will be arriving soon
- Contain the area to ensure no-one enters until the police arrive. The staff will direct parents and children to a separate area as they arrive. If all areas have been disturbed staff will follow police advice, including following the relocation procedure under flood wherever necessary to ensure the safety of the children
- The manager Lead Teacher on duty will help the police with enquiries, e.g. by identifying items missing, areas of entry etc.
- A manager will be available at all times during this time to speak to parents, reassure children and direct enquires
- Management will assess the situation following a theft and ensure parents are kept up to date with developments relating to the operation of the pre-school.

Abduction or threatened abduction of a child

We have secure safety procedures in place to ensure children are safe while in our care, including safety from abduction. Staff must be vigilant at all times and report any persons lingering on pre-school property immediately.

All doors and gates are locked and cannot be accessed unless staff members allow individuals in. Parents are asked not to allow anyone into the building whether they are known to them or not. Visitors and general security are covered in more detail in the supervision of visitor's policy.

Children will only be released into the care of a designated adult; see the arrivals and departures policy for more details. Parents are requested to inform the setting of any potential custody battles or family concerns as soon as they arise, so the pre-school is able to support the child. We will not take sides in relation to any custody battle and will remain neutral for the child. If an absent parent arrives to collect their child, the setting will not restrict access unless a court order is in place. Parents are requested to issue the setting with a copy of these documents should they be in place. We will consult our solicitors with regards to any concerns over custody and relay any information back to the parties involved.

If a member of staff witnesses an actual or potential abduction from pre-school we have the following procedures which are followed immediately:

- The police must be called immediately
- The staff member will notify management immediately and the manager will take control
- The parent(s) will be contacted

- All other children will be kept safe and secure and calmed down where necessary
- The police will be given as many details as possible including details of the child, description of the abductor, car registration number if used, time and direction of travel if seen and any family situations that may impact on this abduction.

Bomb threat/terrorism attack

If a bomb threat is received at the setting, the person taking the call will record all details given over the phone as soon as possible and raise the alarm as soon as the phone call has ended. The management will follow the fire evacuation procedure to ensure the safety of all on the premises and will provide as much detail to the emergency services as possible.

Other incidents

All incidents will be managed by the manager on duty and all staff will co-operate with any emergency services on the scene. Any other incident that requires evacuation will follow the fire plan. Other incidents e.g. no water supply will be dealt with on an individual basis taking into account the effect on the safety, health and welfare of the children and staff in the setting.

Lock Down

Staff have a procedure for securing all children and staff in a safe room at Preschool.

The manager or nominated Chair will notify Ofsted in the event of a critical incident.
